Work Experience

The Colonnade Senior Living
Dining Services
(June 01, 2017 - May 01, 2019)

- Worked in teams in a fast-paced environment.
- Patiently worked with elderly residents, earning dementia care certification.

Target Corporation
Retail Sales Specialist
(July 01, 2019 - Present)

- Engaged dozens of customers nightly, assessed their needs, and answered questions.
- Worked with management to prioritize tasks as efficiently as possible.
- Worked in teams to perform nightly closing duties.

Education

Southern Illinois University Edwardsville
Bachelor of Science, Computer Science
(August 01, 2018 - May 01, 2022)

Projects

Web-Hosted Linux Containerization
Full-stack Web App

- Built a full-stack web app to allow users to create and use Linux containers hosted on university servers.
- Utilized React to simulate Linux terminals in the user's web browser.

YouTube Playlist Manager
Full-stack Web App

- Built a full-stack web app which allows users to create and organize YouTube playlists with greater customization and reliability than YouTube's default service.
- Implemented Next.js and MongoDB to power the backend of the website, enabling dynamic playlist management and data storage.
